11. Authority to provide financial assistance to any Group company

Special Resolution Number 2

“Resolved that, to the extent required by sections 44 and/or 45 of the Companies Act, the Board may, subject to the provisions of the Companies Act, the Company’s Mol and the Listings Requirements, authorise the Company to provide direct or indirect financial assistance to any related or inter-related (as defined in the Companies Act) company or corporation of the Company, on terms and conditions which the directors may determine, commencing on the date of passing of this resolution and ending at the next Meeting.”

Reason for special resolution number 2

This general authority would greatly assist the Company inter alia with making inter-company loans to Group companies as well as granting letters of support and guarantees in appropriate circumstances. The existence of a general shareholder authority would avoid the need to refer each instance to members for approval which might impede the negotiations and add time and expense. If approved, this general authority will expire at the next Meeting.

Notification

Written notice in terms of section 45(5) of the Companies Act of any such resolution by the Board shall be given to all shareholders of the Company and any trade union representing its employees:

- within 30 business days after the end of the financial year, in any other case.

Subject to the approval of this special resolution, the Board will pass a similar financial assistance resolution on or after the date of this Meeting.

In terms of the Companies Act, 75% (seventy-five percent) of the votes cast by shareholders present or represented by proxy at the Meeting must be cast in favour of this resolution for it to be adopted.

- e) the repurchase of securities will be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company and the counterparty (reported trades are prohibited);

- g) any such general repurchase will be subject to the applicable provisions of the Companies Act (including sections 114 and 115 to the extent that section 48(8) is applicable in relation to that particular repurchase);
- h) any such repurchases are subject to exchange control approval at that point in time;
- i) in determining the price at which the Company's ordinary shares are acquired by the Company in terms of this general authority, the maximum premium at which such ordinary shares may be acquired will be 10% (ten percent) of the weighted average of the market price at which such ordinary shares are traded on the JSE, as determined over the 5 (five) trading days immediately preceding the date of the repurchase of such ordinary shares by the Company or a subsidiary of the Company; and
- j) a resolution has been passed by the Board confirming that the Board has authorised the general repurchase, that the Company has passed the solvency and liquidity test as required by the Companies Act and since the test was done there have been no material changes to the financial position of the Group."

- Major shareholders (refer page 195 of the Annual Report); and

- the working capital of the Company and the Group will be adequate for ordinary business purposes for a period of 12 (twelve) months following the date of the repurchase.

Any decision by the Board involving a repurchase by the Company of more than 5% (five percent) of the issued shares of any class will be subject to the requirements of sections 48, 114 and 115 of the Companies Act, including the distribution of a circular to the shareholders of the Company in compliance with the Companies Act and the Listings Requirements, seeking the approval of the shareholders for such repurchase.
