CIRCULAR TO DATATEC SHAREHOLDERS

1. INTRODUCTION

Shareholders are referred to the announcements released on SENS on 6 June 2017 and on 4 September 2017, detailing the terms and completion of the disposal of the Company's Westcon-Comstor business in North America and Latin America and 10% of the remaining part of Westcon to SYNnex Corporation ("**SYNNEX Transaction**").

After implementation of the SYNnex Transaction, Westcon International (the part of the Westcon business retained in the Datatec group, with a minority interest held by SYNnex Corporation) received a working capital loan from Datatec, which Westcon International has now repaid in the amount of approximately US\$70 million.

Shareholders are referred to the announcement of the Company's interim financial results for the six-month period ended 31 August 2021 and declaration of Special Cash Dividend with Scrip Distribution Alternative released on SENS on Thursday, 28 October 2021, in terms of which the Board notified Shareholders that it had resolved to return the aforementioned amount of approximately US\$70 million to Shareholders by declaring a Special Cash Dividend of 512 ZAR cents per Datatec Share held on the Record Date, being Friday, 26 November 2021.

Shareholders will, however, be entitled to elect to receive a Scrip Distribution of new, fully paid Datatec Shares in proportion to their shareholding in Datatec on the Record Date, being Friday, 26 November 2021, and in accordance with the ratio set out in this Circular. Shareholders are not required to pay for the Datatec Shares to which they are entitled in terms of the Scrip Distribution Alternative. The Scrip Distribution Alternative will be issued only to those:

- certificated Shareholders whose Forms of Election (*grey*) to receive the Scrip Distribution Alternative, in respect of all or part of their shareholding, are received by the Transfer Secretaries at or before 12:00 on Friday, 26 November 2021; and
- dematerialised Shareholders who have instructed their CSDPs or brokers accordingly and in the manner and time stipulated in their custody agreement with such CSDP or broker.

The terms of the Scrip Distribution Alternative are contained in paragraph 3 below.

Shareholders not electing to receive the Scrip Distribution Alternative in respect of all or part of their shareholding will, without any action on their part, be entitled to receive the Special Cash Dividend in proportion to their shareholding as at the close of trading on the JSE on the Record Date, being Friday, 26 November 2021.

Datatec does not accept any responsibility, and will not be held liable, for any action on the part of, or omission by, any CSDP, broker or other agent of any beneficial owner of Datatec Shares.

No payment to Shareholders contemplated in this Circular shall carry interest as against the Company. Furthermore, any reference in this Circular to the Special Cash Dividend payable to or receivable by Shareholders refers to the amount of such dividend, after the deduction of Dividend Withholding Tax, if any, as contemplated in paragraph 3.4 below.

2. **RATIONALE**

The Board wishes to return to Shareholders the amount of approximately US\$70 million received by Datatec from Westcon International in repayment of a working capital loan which has been advanced by Datatec to Westcon International after implementation of the SYNEX Transaction. Consequently, the Board has resolved to return the 512 ZAR cents per Share to Shareholders by way of the Special Cash Dividend. The total Special Cash Dividend is approximately ZAR1 040 271 892.48. At an exchange rate of 0.067 US\$:ZAR, the total Special Cash Dividend equates to approximately US\$70 million.

Datatec's current and forecast solvency and liquidity comfortably allows for the payment of the full Special Cash Dividend. The Board nevertheless wishes to offer those Shareholders who wish to increase their shareholding in the Company the opportunity to elect the Scrip Distribution Alternative instead of the Special Cash Dividend in respect of all or part of their shareholding as at the close of trading on the JSE on the Record Date, being Friday, 26 November 2021. This provides flexibility to Shareholders in the light of the global nature of the Company's Shareholder base.

3. **THE AWARD OF THE SPECIAL CASH DIVIDEND AND THE ELECTION TO RECEIVE THE SCRIP DISTRIBUTION ALTERNATIVE**

3.1 **Terms of the Special Cash Dividend and the Scrip Distribution Alternative**

Shareholders will be entitled to receive the Special Cash Dividend of 512 ZAR cents per Datatec Share in respect of their shareholding as at the close of business on the Record Date, being Friday, 26 November 2021, in proportion to their shareholding in Datatec and to the extent that such Shareholders have not elected to receive the Scrip Distribution Alternative in respect of all or part of their shareholding.

However, Shareholders will be entitled to elect to receive a Scrip Distribution of new, fully paid Datatec Shares in respect of their shareholding in Datatec as at the Record Date, being Friday, 26 November 2021 in respect of all or part of their shareholding, *in lieu* of the Special Cash Dividend.

The number of Scrip Distribution Shares to which each of the Shareholders will become entitled pursuant to the Scrip Distribution Alternative (subject to their election thereto) will be determined by reference to such Shareholder's shareholding in Datatec (at the close of business on the Record Date, being Friday, 26 November 2021) in relation to the ratio that 512 ZAR cents bears to the VWAP of a Datatec Share traded on the JSE during the 30-day trading period ending on Monday, 15 November 2021, provided that, where the application of this ratio gives rise to a fraction of a Share, the rounding principles described in paragraph 3.2 below will be applied.

Example of Scrip Distribution entitlement:

This example assumes that a Shareholder holds 100 Datatec Shares at the close of business on the Record Date, being Friday, 26 November 2021, and elects to receive the Scrip Distribution Alternative in respect of all of such Shares, and that the VWAP of Datatec Shares traded on the JSE for the 30-day trading period ending Monday, 15 November 2021, is 3700 ZAR cents per Share.

$$\text{New Share entitlement} = \frac{100 \times 512 \text{ ZAR cents}}{3700 \text{ ZAR cents}}$$

= 13.83784 Scrip Distribution Shares per 100 Shares held, subject to the rounding principles described in paragraph 3.2 below. This would result in a Shareholder with 100 Datatec Shares receiving a new Share entitlement of 13 Scrip Distribution Shares and a cash payment for the fraction, in terms of paragraph 3.2 below.

The Special Cash Dividend will be paid out of the Company's distributable retained profits while the issue price of the Scrip Distribution Shares (which will equal the VWAP of Datatec Shares traded on the JSE for the 30-day trading day period ending on Monday, 15 November 2021) will be settled by way of a capitalisation of the Company's distributable retained profits. The Scrip Distribution Shares will, upon their issue, rank *pari passu* in all respects with the other Datatec Shares then in issue.

The Company's total number of issued Shares at the date of this Circular is 203 178 104. As at 29 October 2021, the Company did not have any Shares held as treasury Shares. Datatec's South African income tax reference number is 9999/493/71/2.

If all Shareholders were to elect to receive the Scrip Distribution, the number of Scrip Distribution Shares issued would amount to approximately 28 115 461, based on the assumed Scrip Distribution ratio in the example above (and ignoring rounding down for fractions on a per Shareholder basis) and the aggregate issue price of approximately ZAR1 040 272 057.00, based on the example above, being capitalised out of the Company's distributable retained profits.

If all Shareholders were to elect to receive the Special Cash Dividend the maximum gross Special Cash Dividend payable by the Company would be approximately ZAR1 040 271 892.48.

3.2 Fractions

Where a Shareholder's entitlement to new Datatec Shares calculated in accordance with the above formula gives rise to a fraction of a new Share, such fraction of a new Share will be rounded down to the nearest whole number, resulting in allocations of whole Shares and a cash payment for the fraction.

The applicable cash payment will be determined with reference to the VWAP of a Datatec Share traded on the JSE on Wednesday, 24 November 2021, (being the day on which a Datatec Share begins trading 'ex' the entitlement to receive the Special Cash Dividend or the Scrip Distribution Alternative), discounted by 10%. For illustrative purposes, this Circular assumes the VWAP of a Datatec Share traded on the JSE on Wednesday, 24 November 2021 to be 3188 ZAR cents. The basis for the applicable cash payment would therefore be 2869 ZAR cents (3188 ZAR cents discounted by 10%).

The basis for the applicable cash payment will be announced on SENS on Thursday, 25 November 2021, by 11:00.

Example of fractional entitlement:

This example assumes that a Shareholder holds 100 Datatec Shares at the close of business on the Record Date (being Friday, 26 November 2021) and elects to receive the Scrip Distribution Alternative in respect of all of their shareholding.

New Share entitlement = 13.83784%
= 13 new Scrip Distribution Shares. The rounding provision described above is then applied and the shareholder will receive:

13 Scrip Distribution Shares in respect of the 100 Shares held and a cash payment for the fractional entitlement based on the 2869 ZAR cents noted above of $2869 \times 0.83784 = 2403.76296$ ZAR cents. This fractional entitlement payment will not be subject to Dividend Withholding Tax ("DWT").

3.3 Nominee companies

The Transfer Secretaries have been instructed to treat applications from nominee companies as separate applications on the submission of a breakdown of the beneficial owners of Shares registered in the name of the nominee companies.

3.4 Tax implications

3.4.1 The Special Cash Dividend is likely to have tax implications for both resident and non-resident Shareholders. Shareholders are therefore encouraged to consult their professional tax advisers, should they be in any doubt as to the appropriate action to take. In terms of the Income Tax Act 58 of 1962 ("**the Income Tax Act**"), the Special Cash Dividend will, unless exempt, be subject to DWT. South African resident Shareholders that are liable for DWT will be subject to DWT at a rate of 20% of the Special Cash Dividend and this amount will be withheld from the Special Cash Dividend with the result that they will receive a net amount of 409.6 ZAR cents per share. Non-resident Shareholders may be subject to DWT at a rate of less than 20%, depending on their country of tax residence and the applicability of any Double Tax Agreement between South Africa and their country of residence; and

3.4.2 The Scrip Distribution Alternative and cash paid for a fraction of a Share will not be subject to DWT in terms of the Income Tax Act. The subsequent disposal of Datatec Shares obtained as a result of the Scrip Distribution is likely to have Income Tax or Capital Gains Tax implications. Where any future disposals of Shares obtained as a result of the Scrip Distribution are effected, the expenditure incurred in respect of such shares will be deemed to be nil in terms of the Income Tax Act.

4. **FOREIGN SHAREHOLDERS**

The distribution of this Circular, and the rights to receive the Scrip Distribution Shares in jurisdictions other than the Republic of South Africa, may be restricted by law and any failure to comply with these restrictions may constitute a violation of the securities laws of such jurisdictions. Accordingly, Shareholders will not be entitled to receive the Scrip Distribution Shares, directly or indirectly, in those jurisdictions and shall be deemed not to have elected the Scrip Distribution Alternative. Such non-resident Shareholders should inform themselves about and observe any applicable legal requirements in such jurisdictions. It is the responsibility of non-resident Shareholders to satisfy themselves as to the full observance of the laws and regulatory requirements of the relevant jurisdictions in respect of the Scrip Distribution Alternative, including the obtaining of any governmental, exchange control or other consents or the making of any filing which may be required, compliance with other necessary formalities and payment of any issue, transfer or other taxes or other requisite payments due in such jurisdictions. Shareholders who have any doubts as to their position, including, without limitation, their tax status, should consult an appropriate adviser in the relevant jurisdictions without delay.

5. **PROCEDURE FOR SHAREHOLDERS WHO ELECT TO RECEIVE THE SCRIP DISTRIBUTION ALTERNATIVE**

Shareholders who wish to receive the Scrip Distribution Alternative must take the following action:

5.1 **Certificated Shareholders wishing to receive the Scrip Distribution:**

Shareholders who hold certificated Shares (“**Certificated Shareholders**”) and who wish to receive the Scrip Distribution must complete the attached Form of Election (*grey*) in respect of all or part of their shareholding in accordance with the instructions contained therein and lodge it with Computershare Investor Services Proprietary Limited, at Rosebank Tower, 15 Biermann Avenue, Rosebank, 2196, or mail it to Private Bag X3000, Saxonwold, 2132 so as to be received no later than 12:00 on Friday, 26 November 2021. Forms of Election (*grey*) received after this date and time will not be accepted. Forms of Election (*grey*) may also be emailed to corporate.events@computershare.co.za. Computershare Investor Services Proprietary Limited will not be responsible for any loss and/or damage whatsoever in relation to or arising from the late or non-receipt of mailed or emailed Forms of Election (*grey*) or owing to Forms of Election (*grey*) being sent or delivered to any other mail address or email address other than those provided above. Forms of Election (*grey*) shall be deemed to be received on the date reflected in Computershare’s electronic systems. Notwithstanding anything to the contrary it is the Shareholder’s responsibility to ensure that their Form of Election (*grey*) is received by Computershare Investor Services Proprietary Limited. As the JSE requires any new shares to be issued in dematerialised form, Certificated Shareholders who elect the Scrip Distribution Alternative in respect of any or all of their Datatec Shares are requested to also complete **FORM C** of the Form of Election (*grey*) attached to this Circular with the details of their account held with their duly appointed CSDP or broker and return same to the Transfer Secretaries.

5.2 **Dematerialised Shareholders wishing to receive the Scrip Distribution:**

Shareholders who have dematerialised their Shares (“**Dematerialised Shareholders**”) must **not** complete the attached Form of Election (*grey*). Dematerialised Shareholders are required to notify their duly appointed CSDP or broker if they wish to receive the Scrip Distribution, in the manner and the time stipulated in the custody agreement governing the relationship between such Shareholders and their CSDP or broker, failing which they will receive the Special Cash Dividend.

Dematerialised Shareholders’ CSDP/broker accounts will be credited and updated on Monday, 29 November 2021, in accordance with any election made.

5.3 **Election in respect of all or part of the Shareholders’ Shares**

Shareholders may make the election, using the Form of Election (*grey*), in respect of all or any part of their Shares held on the Record Date, being Friday, 26 November 2021. If an election is made in respect of part of a shareholding, the Shareholder concerned will receive the Special Cash Dividend in respect of the Shares for which the election to receive the Scrip Distribution is **not** made. Shareholders who do not wish to receive any Scrip Distribution Shares do not need to take any further action and will receive the Special Cash Dividend, save that Certificated Shareholders whose correct bank account details for electronic payment of the Special Cash Dividend are not in the possession of the Transfer Secretaries, are requested to complete “**FORM B: Direct Credit – Bank Account Details**” of the Form of Election (*grey*) and return same to the Transfer Secretaries. Shareholders electing to receive the Scrip Distribution should note that the election is irrevocable and, once an election to receive the Scrip Distribution is made, such election cannot be cancelled.

In addition to the above, if you currently hold Shares in certificated form, you should pay special attention to the provisions of the following paragraph:

The Company will, due to changes in securities legislation, no longer issue physical share certificates in respect of Datatec Shares to any Shareholders in relation to scrip distributions (including the Scrip Distribution). To receive your Shares pursuant to the Scrip Distribution Alternative in dematerialised form, you are required to have a dematerialised share account.

The Company has, by election in terms of section 33(1) and (2) of the Financial Markets Act, 19 of 2012 and per agreement with Computershare Investor Services Proprietary Limited, facilitated that such dematerialised share accounts be opened for all Certificated Shareholders by Computershare Proprietary Limited (a licensed Strate Proprietary Limited (“**Strate**”) participant).

Dematerialised Shares will be credited to new beneficial Shareholders’ accounts, held by Computershare Nominees Proprietary Limited, who will hold such Datatec Shares as the registered holder thereof, for and on behalf such Certificated Shareholders who have elected the Scrip Distribution Alternative. The beneficial owner of such Datatec Shares will be recorded on a nominee sub-register maintained by Computershare Nominees Proprietary Limited in accordance with regulations of Strate.

Certificated Shareholders will receive a share statement containing their share account number and CSDP contact information, once the share allocation by the Transfer Secretaries has been made in respect of their Datatec Shares pursuant to the Scrip Distribution Alternative.

It should be noted that such dematerialised accounts will be blocked from trading until such time as Certificated Shareholders have signed a custody mandate, provided bank account details, and provided documents to Computershare Investor Services Proprietary Limited in terms of the Financial Intelligence Centre Act, 38 of 2001, and their accounts have been updated.

Shareholders can contact the Computershare Investor Services Proprietary Limited call center at: 086 11 00 933 or +27 11 370 5000, for assistance. More information is available at www.computershare.co.za

Once a Shareholder’s account has been regularised with a signed custody mandate, documents provided in terms of the Financial Intelligence Centre Act, 38 of 2001 and bank account details recorded, the Shareholder will have the option to trade their Shares via the Computershare Investor Services Proprietary Limited dealing desk or to move their Shares to the account of the Shareholder’s own CSDP or broker, at the prescribed fee. The call centre will be able to assist regarding the requirements in this regard. Shareholders’ receipt of future dividends and the ability to vote will be unaffected and Computershare Nominees Proprietary Limited will communicate with the Shareholders in this regard. Shareholders are urged to ensure they always keep their dematerialised share accounts current and provide required documentation as soon as possible.

6. **PAYMENT OF SPECIAL CASH DIVIDEND AND UPDATING/CREDITING OF CSDP/BROKER ACCOUNTS**

Shareholders electing to receive the Scrip Distribution will receive the new Datatec Shares in dematerialised form.

According to the election made, Special Cash Dividend payments or cash payments in respect of fractional entitlements will be made by electronic funds transfer into the personal bank accounts of Certificated Shareholders on Monday, 29 November 2021. Certificated Shareholders who have not already provided the Transfer Secretaries with their banking details are requested to complete **FORM B: Direct Credit – Bank Account Details** of the Form of Election (grey) attached to this Circular and return same to the Transfer Secretaries. **(As payment by cheque has been discontinued in South Africa with effect from 1 January 2021, no cheques will be issued or paid in relation to the payment of the Special Cash Dividend or cash payments in respect of fractional entitlements. Consequently, payment of any Special Cash Dividend or cash payments in respect of fractional entitlements to Certificated Shareholders is dependent on the Transfer Secretaries being in possession of such Certificated Shareholder’s banking details.)**

Certificated Shareholders who have not already provided the Transfer Secretaries with their banking details and fail to provide the correct bank details to the Transfer Secretaries as requested above, shall have the Special Cash Dividend due to them held in trust by Datatec (or its agent) on their behalf for a period of 3 (three) years after Monday, 29 November 2021, after which the Special Cash Dividend due to them will be deemed to have been forfeited for the benefit of the Company and may no longer be claimed by the Certificated Shareholder.

Shareholders’ CSDP/broker accounts will be updated on Monday, 29 November 2021.

7. **LISTING OF NEW SHARES**

Application will be made to the JSE to list the maximum possible number of Scrip Distribution Shares issued in terms of the Scrip Distribution Alternative, with effect from the commencement of business on Wednesday, 24 November 2021. An adjustment of the number of Shares listed will be made on or about Tuesday, 30 November 2021, in accordance with the actual number of Shares issued in terms of the Scrip Distribution Alternative.

The right to receive new Shares in terms of the Scrip Distribution Alternative is not renounceable and may not be traded on the JSE.

8. EXCHANGE CONTROL REGULATIONS

In terms of the Exchange Control Regulations of the Republic of South Africa, which apply to Shareholders who are registered on the South African register, who are non-residents of the Common Monetary Area (comprising the Republics of South Africa and Namibia and the Kingdoms of Lesotho and Eswatini) (“CMA”) or have ceased to be tax resident in South Africa (previously known as emigrants from South Africa):

8.1 in the case of Certificated Shareholders:

- 8.1.1 Shareholders will receive new Shares in dematerialised form.
- 8.1.2 Any new share certificates issued based on emigrants’ shares (i.e. individuals that have ceased to be tax resident in South Africa or have emigrated from the CMA, other than South Africa) controlled in terms of the Exchange Control Regulations, will be forwarded to the Authorised Dealer controlling their remaining assets. Such share certificates will be endorsed ‘Non-Resident’.
- 8.1.3 Any Shares issued to a non-resident, that has never been a resident of the CMA, will be credited to such non-resident’s CSDP or broker account and a ‘non-resident’ annotation will appear in the CSDP or broker register.
- 8.1.4 Cash dividend payments and payments made in respect of fractional entitlements paid out of the Company’s distributable profits due to non-residents are freely transferable from South Africa. In respect of all non-residents of the CMA the cash dividend payments and payments made in respect of fractional entitlements due will be paid by way of electronic funds transfer into the personal bank accounts of Certificated Shareholders as contemplated in paragraph 6 above.
- 8.1.5 Certificated Shareholders are cautioned that, while cash dividend payments are freely transferrable to individuals that have ceased to be tax resident in South Africa, under the current law, these individuals must prove their tax compliance status to their Authorised Dealer processing the payment before the funds may be transferred. Individuals that ceased to be tax resident in South Africa are therefore cautioned to seek advice with regard to the new laws that came into operation on 1 March 2021 that require such persons to obtain annual clearance from the South African Revenue Service and present same to the Authorised Dealer processing the payment before cash dividend payments can be transferred to them abroad.

8.2 in the case of Dematerialised Shareholders:

- 8.2.1 Any new share certificates issued based on emigrants’ shares (i.e. individuals that have ceased to be tax resident in South Africa or have emigrated from the CMA, other than South Africa) controlled in terms of the Exchange Control Regulations, will be forwarded to the Authorised Dealer controlling their remaining assets. Such share certificates will be endorsed ‘Non-Resident’.
- 8.2.2 Any Shares issued to a non-resident of the CMA will be credited to such non-resident’s CSDP or broker account and a ‘non-resident’ annotation will appear in the CSDP or broker register.
- 8.2.3 Any cash dividend payments paid out of the Company’s distributable profits to non-residents of the CMA are freely transferable and will be credited to the CSDP or broker controlling their portfolios. Individuals that have ceased to be tax resident in South Africa will need to comply with the new rules to allow the dividends to be remitted out of South Africa, i.e. confirm tax compliance status to their Authorised Dealer as explained in clause 8.1.5 above.
