## **CIRCULAR**

---

### **1. INTRODUCTION**

Shareholders are referred to the announcement regarding the Company's audited financial results for the year ended 28 February 2022 and declaration of the Cash Dividend with the Scrip Distribution Alternative released on SENS on Tuesday, 24 May 2022, in terms of which the Board notified Shareholders that it had resolved to declare a gross final Cash Dividend of 111 ZAR cents per Datatec ordinary Share held on the Record Date, being Friday, 15 July 2022.

Shareholders will, however, be entitled to elect to receive a Scrip Distribution of new, fully paid Datatec ordinary Shares in proportion to their ordinary shareholding in Datatec on the Record Date, being Friday, 15 July 2022 and in accordance with the ratio set out in this Circular. Shareholders are not required to pay for the Datatec ordinary Shares to which they are entitled in terms of the Scrip Distribution Alternative. The Scrip Distribution Alternative will be issued only to those:

- certificated Shareholders whose Forms of Election (*grey*) to receive the Scrip Distribution Alternative, in respect of all or part of their shareholding, are received by the Transfer Secretaries on or before 12h00 on Friday, 15 July 2022; and
- dematerialised Shareholders who have instructed their CSDPs or brokers accordingly and in the manner and time stipulated in their custody agreement with such CSDP or broker.

The terms of the Scrip Distribution Alternative are contained in paragraph 3 below.

Shareholders not electing to receive the Scrip Distribution Alternative in respect of all or part of their ordinary shareholding will, without any action on their part, be entitled to receive the Cash Dividend in proportion to their ordinary shareholding as at the close of trading on the JSE on the Record Date, being Friday, 15 July 2022.

Datatec does not accept any responsibility, and will not be held liable, for any action on the part of, or omission by, any CSDP, broker or other agent of any beneficial owner of Datatec ordinary Shares.

No payment to Shareholders contemplated in this Circular shall carry interest as against the Company. Furthermore, any reference in this Circular to the Cash Dividend payable to or receivable by Shareholders refers to the amount of such dividend, after the deduction of Dividend Withholding Tax, if any, as contemplated in paragraph 3.4 below.

## 2. **RATIONALE**

Datatec's current and forecast solvency and liquidity comfortably allows for the payment of the full Cash Dividend. The Board nevertheless wishes to offer those Shareholders who wish to increase their shareholding in the Company the opportunity to elect the Scrip Distribution Alternative instead of the Cash Dividend in respect of all or part of their shareholding as at the close of trading on the JSE on the Record Date. This provides flexibility to Shareholders in the light of the global nature of the Company's Shareholder base.

## 3. **THE AWARD OF THE CASH DIVIDEND AND THE ELECTION TO RECEIVE THE SCRIP DISTRIBUTION ALTERNATIVE**

### 3.1 **Terms of the Cash Dividend and the Scrip Distribution Alternative**

Shareholders will be entitled to receive the Cash Dividend of 111 ZAR cents per ordinary Datatec Share in respect of their shareholding as at close of trading on the JSE at the close of business on the Record Date, being Friday, 15 July 2022, in proportion to their ordinary shareholding in Datatec and to the extent that such Shareholders have not elected to receive the Scrip Distribution Alternative in respect of all or part of their shareholding.

Shareholders will, however, be entitled to elect to receive a Scrip Distribution of new, fully paid Datatec ordinary Shares in respect of their shareholding in Datatec as at the Record Date, being Friday, 15 July 2022 in respect of all or part of their ordinary shareholding, instead of the Cash Dividend.

The number of Scrip Distribution Shares to which each of the Shareholders will become entitled pursuant to the Scrip Distribution Alternative (subject to their election thereto) will be determined by reference to such Shareholder's ordinary shareholding in Datatec (at the close of business on the Record Date, being Friday, 15 July 2022) in relation to the ratio that 111 ZAR cents bears to the VWAP of a Datatec ordinary Share traded on the JSE during the 30-day trading period ending on Monday, 4 July 2022, provided that, where the application of this ratio gives rise to a fraction of an ordinary share, the rounding principles described in paragraph 3.2 below will be applied.

#### Example of Scrip Distribution entitlement:

This example assumes that a Shareholder holds 100 Datatec ordinary Shares at the close of business on the Record Date, being Friday, 15 July 2022, and elects to receive the Scrip Distribution Alternative in respect of all of such Shares, and that the VWAP of Datatec's ordinary Shares traded on the JSE for the 30-day trading period ending Monday, 4 July 2022 is 3800 ZAR cents per Share.

$$\text{New Share entitlement} = \frac{100 \times 111 \text{ ZAR cents}}{3800 \text{ ZAR cents}}$$

= 2.92105 Scrip Distribution Shares per 100 Shares held, subject to the rounding principles described in paragraph 3.2 below. This would result in a Shareholder with 100 Datatec ordinary Shares receiving a new ordinary share entitlement of 2 Scrip Distribution Shares and a cash payment for the fraction, in terms of paragraph 3.2 below.

The Cash Dividend will be paid out of the Company's distributable retained profits while the issue price of the Scrip Distribution Shares (which will equal the VWAP of Datatec's ordinary Shares traded on the JSE for the 30-day trading day period ending on Monday, 4 July 2022) will be settled by way of capitalisation of the Company's distributable retained profits. The Scrip Distribution Shares will, upon their issue, rank *pari passu* in all respects with the other Datatec ordinary Shares then in issue.

The Company's total number of issued Shares at the date of this Circular is 216,957,874. As at 24 May 2022, the Company had 549,867 Shares held as treasury Shares. Datatec's South African income tax reference number is 9999/493/71/2.

If all Shareholders were to elect to receive the Scrip Distribution, the number of Scrip Distribution Shares issued would amount to 6,337,454, based on the assumed Scrip Distribution ratio in the example above (and ignoring rounding down for fractions on a per Shareholder basis) and the aggregate issue price of ZAR240,823,240.14 being capitalised out of the Company's distributable retained profits.

If all Shareholders were to elect to receive the Cash Dividend the maximum gross Cash Dividend payable by the Company would be ZAR240,823,240.14.

### 3.2 Fractions

Where a Shareholder's entitlement to new Datatec ordinary Shares calculated in accordance with the above formula gives rise to a fraction of a new Share, such fraction of a new ordinary share will be rounded down to the nearest whole number, resulting in allocations of whole ordinary Shares and a cash payment for the fraction.

The applicable cash payment will be determined with reference to the VWAP of a Datatec ordinary Share traded on the JSE on Wednesday, 13 July 2022, (being the day on which a Datatec ordinary Share begins trading 'ex' the entitlement to receive the Cash Dividend or the Scrip Distribution Alternative), discounted by 10%. For illustrative purposes, this Circular assumes the VWAP of a Datatec ordinary Share traded on the JSE on Wednesday, 13 July 2022 to be 3700 ZAR cents. The basis for the applicable cash payment would therefore be 3330 ZAR cents (3700 ZAR cents discounted by 10%).

The basis for the applicable cash payment will be announced on SENS on Thursday, 14 July 2022, by 11h00.

#### Example of fractional entitlement:

This example assumes that a Shareholder holds 100 Datatec ordinary Shares at the close of business on the Record Date (being Friday, 15 July 2022) and elects to receive the Scrip Distribution Alternative in respect of all of their shareholding.

$$\text{New Share entitlement} = \frac{100 \times 111 \text{ ZAR cents}}{3800 \text{ ZAR cents}}$$

= 2 new ordinary Scrip Distribution Shares. The rounding provision described above is then applied and the shareholder will receive:

2 Scrip Distribution Shares in respect of the 100 Shares held and a cash payment for the fractional entitlement based on the 3330 ZAR cents noted above of  $3330 \times 0.92105 = 3067.0965$  ZAR cents. This fractional entitlement payment will not be subject to Dividend Withholding Tax ("**DWT**").

### 3.3 Nominee companies

The Transfer Secretaries have been instructed to treat applications from nominee companies as separate applications on the submission of a breakdown of the beneficial owners of Shares registered in the name of the nominee companies.

### 3.4 Tax implications

- 3.4.1 The Cash Dividend is likely to have tax implications for both resident and non-resident Shareholders. Shareholders are therefore encouraged to consult their professional tax advisers, should they be in any doubt as to the appropriate action to take. In terms of the Income Tax Act 58 of 1962 ("the **Income Tax Act**"), the Cash Dividend will, unless exempt, be subject to DWT.
- 3.4.2 South African resident Shareholders that are liable for DWT will be subject to DWT at a rate of 20% of the Cash Dividend and this amount will be withheld from the Cash Dividend with the result that they will receive a net amount of 88.8 ZAR cents per Share.
- 3.4.3 Non-resident Shareholders may be subject to DWT at a rate of less than 20%, depending on their country of residence, the applicability of any Double Tax Agreement ("**DTA**") between South Africa and their country of residence and the timely adherence to the administrative requirements to qualify for such reduced rate.
- 3.4.4 The Scrip Distribution Alternative and cash paid for a fraction of a Share will not be subject to DWT in terms of the Income Tax Act. Recipients of the fractional amount may be subject to income tax or capital gains tax, depending on their particular circumstances. You are advised to seek tax advice in this regard.
- 3.4.5 The subsequent disposal of Datatec ordinary Shares obtained as a result of the Scrip Distribution is likely to have Income Tax or Capital Gains Tax ("**CGT**") implications. Where any future disposals of Shares obtained as a result of the Scrip Distribution are effected, the expenditure incurred in respect of such Shares will be deemed to be nil in terms of the Income Tax Act.

#### 4. **FOREIGN SHAREHOLDERS**

The distribution of this Circular, and the rights to receive the Scrip Distribution Shares in jurisdictions other than the Republic of South Africa, may be restricted by law and any failure to comply with these restrictions may constitute a violation of the securities laws of such jurisdictions. Accordingly, Shareholders will not be entitled to receive the Scrip Distribution Shares, directly or indirectly, in those jurisdictions and shall be deemed to have elected the Cash Dividend alternative. Such non-resident Shareholders should inform themselves about and observe any applicable legal requirements in such jurisdictions. It is the responsibility of non-resident Shareholders to satisfy themselves as to the full observance of the laws and regulatory requirements of the relevant jurisdictions in respect of the Scrip Distribution, including the obtaining of any governmental, exchange control or other consents or the making of any filing which may be required, compliance with other necessary formalities and payment of any issue, transfer or other taxes or other requisite payments due in such jurisdictions. Shareholders who have any doubts as to their position, including, without limitation, their tax status, should consult an appropriate adviser in the relevant jurisdictions without delay.

#### 5. **PROCEDURE FOR SHAREHOLDERS WHO ELECT TO RECEIVE THE SCRIP DISTRIBUTION ALTERNATIVE**

Shareholders who wish to receive the Scrip Distribution Alternative must take the following action:

##### 5.1 **Certificated Shareholders wishing to receive the Scrip Distribution:**

Shareholders who hold certificated Shares (“**Certificated Shareholders**”) and who wish to receive the Scrip Distribution must complete the attached Form of Election (*grey*) in respect of all or part of their shareholding in accordance with the instructions contained therein and lodge it with Computershare Investor Services Proprietary Limited, at Rosebank Tower, 15 Biermann Avenue, Rosebank, 2196, or mail it to Private Bag X3000, Saxonwold, 2132 so as to be received no later than 12h00 on Friday, 15 July 2022. Forms of Election (*grey*) received after this date and time will not be accepted. Forms of Election (*grey*) may also be emailed to corporate.events@computershare.co.za. Computershare Investor Services Proprietary Limited will not be responsible for any loss and/or damage whatsoever in relation to or arising from the late or non-receipt of emailed Forms of Election (*grey*) or owing to Forms of Election (*grey*) being forwarded to any other email address other than those provided above. Forms of Election (*grey*) shall be deemed to be received on the date reflected in Computershare’s electronic systems. Notwithstanding anything to the contrary it is the shareholder’s responsibility to ensure that their Form of Election (*grey*) is received by Computershare Investor Services Proprietary Limited. As the JSE requires any new shares to be issued in dematerialised form, Certificated Shareholders who elect the Scrip Distribution Alternative in respect of any or all of their Datatec ordinary Shares are requested to also complete FORM C of the Form of Election (*grey*) attached to this Circular with the details of their account held with their duly appointed CSDP or broker and return same to the Transfer Secretaries.

##### 5.2 **Dematerialised Shareholders wishing to receive the Scrip Distribution:**

Shareholders who have dematerialised their Shares (“**Dematerialised Shareholders**”) must **not** complete the attached Form of Election. Dematerialised Shareholders are required to notify their duly appointed CSDP or broker if they wish to receive the Scrip Distribution, in the manner and the time stipulated in the custody agreement governing the relationship between such Shareholders and their CSDP or broker, failing which they will receive the Cash Dividend.

Dematerialised Shareholders’ CSDP/broker accounts will be credited and updated on Monday, 18 July 2022, in accordance with any election made.

##### 5.3 **Election in respect of all or part of the Shareholders’ Shares**

Shareholders may make the election, using the Form of Election (*grey*), in respect of all or any part of their Shares held on the Record Date, being Friday, 15 July 2022. If an election is made in respect of part of an ordinary shareholding, the Shareholder concerned will receive the Cash Dividend in respect of the Shares for which the election to receive the Scrip Distribution is **not** made. Shareholders who do not wish to receive any Scrip Distribution Shares do not need to take any further action and will receive the Cash Dividend, save that Certificated Shareholders whose correct bank account details for electronic payment of the Cash Dividend are not in the possession of the Transfer Secretaries, are requested to complete “**Form B: Direct Credit – Bank Account Details**” of the Form of Election (*grey*) and return same to the Transfer Secretaries. Shareholders electing to receive the Scrip Distribution should note that the election is irrevocable and, once an election to receive the Scrip Distribution is made, such election cannot be cancelled.

In addition to the above, if you currently hold Shares in certificated form, you should pay special attention to the provisions of the following paragraph:

The Company will, due to changes in securities legislation, no longer issue physical share certificates in respect of Datatec ordinary Shares to any Shareholders in relation to scrip distributions (including the Scrip Distribution). To receive your Shares pursuant to the Scrip Distribution Alternative in dematerialised form, you are required to have a dematerialised share account.

The Company has, by election in terms of section 33(1) and (2) of the Financial Markets Act, 19 of 2012 and per agreement with Computershare Investor Services Proprietary Limited, facilitated that such dematerialised share accounts be opened for all certificated Shareholders by Computershare Proprietary Limited (a licensed Strate participant). Dematerialised Shares will be credited to new beneficial Shareholders' accounts, held by Computershare Nominees Proprietary Limited, who will hold such Datatec ordinary Shares as the registered holder thereof, for and on behalf such Certificated Shareholders who have elected Scrip Distribution Alternative. The beneficial owner of such Datatec ordinary Shares will be recorded on a nominee sub-register maintained by Computershare Nominees Proprietary Limited in accordance with regulations of Strate Proprietary Limited.

Certificated Shareholders will receive a share statement containing their share account number and CSDP contact information, once the share allocation from the Transfer Secretaries has been made in respect of their Datatec ordinary Shares.

**It should be noted that such dematerialised accounts will be blocked from trading until such time that Certificated Shareholders have signed a custody mandate, provided bank account details, and provided documents to Computershare Investor Services Proprietary Limited in terms of the Financial Intelligence Centre Act, 38 of 2001, and their accounts have been updated.**

**Shareholders can contact the call center at: 086 11 00 933 or +27 11 370 5000, for assistance. More information is available at [www.computershare.co.za](http://www.computershare.co.za)**

Once a Shareholder's account has been regularised with a signed mandate, documents provided in terms of the Financial Intelligence Centre Act, 38 of 2001 and bank account details recorded, the Shareholder will have the option to trade their Shares via the Computershare Investor Services Proprietary Limited dealing desk or to move their Shares to the account of the Shareholder's own CSDP or broker, at the prescribed fee. The call centre will be able to assist in this regard on requirements. Shareholders' receipt of future dividends and the ability to vote will be unaffected and Computershare Nominees Proprietary Limited will communicate with the Shareholders in this regard. Shareholders are urged to ensure they always keep their dematerialised share accounts current and provide required documentation as soon as possible.

#### 6. **PAYMENT OF CASH DIVIDEND AND UPDATING/CREDITING OF CSDP/BROKER ACCOUNTS**

Shareholders electing to receive the Scrip Distribution will receive their new Datatec ordinary Shares in dematerialised form.

According to the election made, Cash Dividend payments or cash payments in respect of fractional entitlements will be made by electronic funds transfer into the personal bank accounts of Certificated Shareholders on Monday, 18 July 2022. Certificated Shareholders who have not already provided the Transfer Secretaries with their banking details are requested to complete **FORM B: Direct Credit – Bank Account Details** of the Form of Election attached to this Circular and return same to the Transfer Secretaries. **(As payment by cheque has been discontinued in South Africa with effect from 1 January 2021, no cheques will be issued or paid in relation to the payment of the Cash Dividend or cash payments in respect of fractional entitlements. Consequently, payment of any Cash Dividend or cash payments in respect of fractional entitlements to Certificated Shareholders is dependent on the Transfer Secretaries being in possession of such Certificated Shareholder's banking details.)**

Certificated Shareholders who have not already provided the Transfer Secretaries with their banking details and fail to provide the correct bank details to the Transfer Secretaries as requested above, shall have the Cash Dividend due to them held in trust by Datatec (or its agent) on their behalf for a period of 3 (three) years after Monday, 18 July 2022, after which the Cash Dividend due to them will be deemed to have been forfeited for the benefit of the Company and may no longer be claimed by the Certificated Shareholder.

Shareholders' bank accounts and/or CSDP/broker accounts will be credited and updated on Monday, 18 July 2022.

#### 7. **LISTING OF NEW SHARES**

Application will be made to the JSE to list the maximum possible number of Scrip Distribution Shares issued in terms of the Scrip Distribution Alternative, with effect from the commencement of business on Wednesday, 13 July 2022. An adjustment of the number of Shares listed will be made on or about Wednesday, 20 July 2022, in accordance with the actual number of Shares issued in terms of the Scrip Distribution Alternative.

The right to receive new Shares in terms of the Scrip Distribution Alternative is not renounceable and may not be traded on the JSE.

Individuals that ceased to be tax resident in South Africa are cautioned to seek advice with regard to the new laws that came into operation on 1 March 2021 that require such persons to obtain clearance from the South African Revenue Service and present same to the Authorised Dealer processing the payment before cash payments or scrip issues can be credited to their designated accounts.
